

life style, economy, job prospects and transition requirements. This will help prospective immigrants in identifying the place of their choice to live and work in Canada. You can attend our informative seminars or visit our office/ talk to us on phone for taking a well informed decision. Once you have decided, the first step is to get your assessment of qualification done. According to your profession the business/ skilled professional assessment form, once filled will entitle you to get a qualifying or non-qualifying letter. Once you get a qualifying letter you can pay the retainer fee and become our client. Apart from this you have to pay the Canadian High Commission Fees. As per the latest law you are also required to prove your language proficiency in English/French. As per the number of members in the family you should have the settlement funds. You may or may not require an interview. After the interview/ waiver of interview you along with the complete family members will undergo a medical examination.

On a successful completion of this, after a successful security vetting the Permanent Resident Visa will be issued. You and your family have to reach Canada within 12 months from the date of medical. On reaching Canada you will be photographed to issue the permanent resident card which will be mailed to you to the given address which means you should have an address ready to get your permanent resident card mailed to you. On coming out of the port of entry, Destine Canada Immigration Consultancy Services representative will be waiting to receive all those who have taken a full transitional package. We ensure a stress free transition and make you merge smoothly into the community and acclimatize you to all the necessary procedures and immediate tasks at hand. The detailed package outlining our services both in Canada and India is given in the qualifying letter and also in our website. The agreement form and qualifying letter and some forms may require a passport which will be issued to you as a client. For us representing you is not just business but an enduring commitment. Make Coast To Coast Immigration Consultancy Services your gateway to Canada.

Immigration Consultancy Services Private Limited

Canada is a multi-cultural nation that celebrates diversity in its entirety. Many of its inhabitants were either born abroad or are first generation Canadians. The people of Canada are proud to call themselves Canadians without giving up their cultural identity. Many of the cities in Canada has been declared as the best place in the world to live in by the United Nations.

Canada is the second largest country in the world (land-wise) and the least populous. Canada offers free medical services to its citizens. School education is free. The literacy is at 99%. The infant mortality rate is approximately 5.1 per 1,000 and life expectancy of a male is 76 yrs and that of a female is 83 yrs. University education is highly subsidized. Employment insurance is offered to a person who has worked for a minimum of 830 hours and thereafter gets unemployed. Human rights standards, negligible crime rate, old age pension, world renowned health care system, employment rate of 98.4% makes Canada one of the best immigrant destinations in the world. Canada has no enemies and Canada believes in creating a global village through its immigrants coming from all over the world. Canadian values include freedom, respect for cultural differences and a commitment to social justice. Canada is a peaceful nation. It's large country with unique federal style of government that is based on compromise and co-existence. Rights to a fair trial, protection against discrimination, right to live and work in anywhere in Canada, freedom of speech, thought, religion and peaceful assembly, are protected under the Canadian Charter of Rights and freedoms.

Geography

Canada is located in the North Western hemisphere bounded by USA in the South, East by Atlantic Ocean, North by Arctic Ocean and West by Pacific Ocean. With an area of 9.9 million sq.kms, Canada is the second largest country in the world. The capital is OTTAWA with a population of just 1million. The major cities are Toronto, Montreal, and Vancouver. Canada contains three of the world's longest rivers and shares seven of the world's largest lakes. Mount Logan marks the highest point in Canada at 5,951 meters.

Government

Canada became a confederation on July 1, 1867 and on this day the Canada day is celebrated. It has a parliamentary democracy. Liberal, Canadian alliance, Bloc Quebecois, New Democratic and progressive Conservative are the political parties in Canada. Canada constitutes of 10 provinces and 3 territories.

Natural Resources

Petroleum, natural gas, hydroelectric power, metals, minerals, fish and wood are the main natural resources in Canada.
